

# How to Make Biodynamics Work Better

## Paonia, CO

### Table of Contents

#### Day 1

**Lecture 1** - *Square of elements. Protein. 4 and 5 element theories. 4 bodies. Space and Time. What, how, when, why? Names. Beings of plants. Forces and Processes. Lemniscate. Dynamization. Rhythms of I, soul, etheric. Moon.* **page 1**

**Lecture 2** - *Dynamization. Archetype. Cuttings. GMO and GE. Retiring of Group I. Cosmic uterus. Sal, Mercur, Sulfur.. Clay preparation. Daily and nightly Sun. Cow & vortex. Duality. Consciousness/subconsciousness. Cain and Abel. Evocation & invocation.* **page 11**

**Lecture 3** - *Machines. NPK. Zoe and Bios. N and clay. Pericles. Cows and their horns. Photosynthesis. Desert plants. Green colour. DNA. Dialogue. GMO. Gluten intolerance.* **page 21**

**Lecture 4** - *Unmanifested & manifested life. Chakras. Anti-Christic forces. Temple. Apostles. Logos.* **page 29**

#### Day 2

**Lecture 1** - *Lightning. Chem trails. Horn manure. Geography. Horn shape. Form. Potentate pits. Shape of horns. Yak horns. Mare hooves. Hour of day. Type of soil. Stirring vats. Golden Mean.* **page 33**

**Lecture 2** - *Use of preparations. Spraying frequency. Potentizing preps in stirring vats. Bees. 501 & 506. Grape juice for increased potency. Salt on soil. Rhythm of stirring.* **page 43**

**Lecture 3** - *Podolinsky. Stirring machine. Dynamize with arm. Dynamize with 12 lemniscates. Combining preps. Increasing mineral availability in soil. Dynamize in 1 minute. Preservation of preps. Times of day. Chernobyl.* **page 51**

**Lecture 4** - *Improve hay. CPP/BC. Drought. Green or blooming grass. Plant death cycle. Drought prep. Seed bath. Resistance to cold. Valerian. Prep herb beds. Use of manure when no 500.* **page 59**

**Lecture 5** - *Songs for plants. Feminine. 4 brains. Pituitary, sella truck, thalamus. Gethsemane. Golgotha. Mnemejon.* **page 69**

#### Day 3

**Lecture 1** - *Dogma. Goethean observation. Meat in diet. Essential oil in lavender. Life and death axis. Use of manure as prep. Harmonizer/Purifier. Preps as sacraments. Diffuser. Prevarication. Feminine.* **page 75**

**Lecture 2** - *Compost. The cow. Therapeutic and nutritional compost. How to build a heap to increase efficacy. Transmutations.* **page 79**

**Lecture 3** - *Compost heap continued. When to use compost. Balance of etheric and astral forces. Alkaloids. Two kinds of roots.* **page 85**

**Lecture 4** - *Machines. Eco Village.*

*page 93*

## **Day 4**

**Lecture 1** - *Equisetum. Extraction methods. Crosses between kingdoms. Cell division. Life's beginning. Different application methods. Improving compost more. What is compost? Ferment of the Pharisees. Grape juice prep for compost. Increase compost strength. Water. Water vitalisation.* *page 109*

**Lecture 2** - *Water. H & O. Water vitalizers for domestic and agricultural use. Aquarius and Ara. Homeopathic fertilizer. Homeopathic products.* *page 123*

**Lecture 3** - *Force attractors on machines. Trees as cosmic attractors. Pruning. Yarrow in orchards. Stone fruit. Bees. Ants. Farm organism. Bushes. Kinds of manure. Etheric planetary dialogues.* *page 131*

**Lecture 4** - *Birds. Super organism plan. Alkaloids. Digitalis. Seed baths.* *page 141*

**Lecture 5** - *Crying. Loaves and fishes. Chem trails. Dead Sea Scrolls.* *page 149*

## **Day 5**

**Lecture 1** - *Thyroid. More farm organism plan. Bios from south. Tree prep. Good and evil. Fallen spiritual entities and elementals. Pests. Bright and dark aspects. I and II planetary action. Vinegar.* *page 155*

**Lecture 2** - *Weeds. Improve water for preps. Dynamizing rhythms. Macerations. Insects. Fungus. Virus. When to spray 501. When to spray fruit trees.* *page 165*

**Lecture 3** - *Flowforms. Symmetry & asymmetry. Grafting. Treating water. Zodiac in our bodies. 4 cosmic deserts. Rev. 12. Stirring. Dead people. Diet. How to cook. Garlic. Elementals.* *page 171*

**Recipes** *page 183*
